

## **Federal Law No.378-FZ dd. on 14.12.2015**

*Russian Federation (December 15, 2015)*

President Putin has endorsed Federal Law No.378-FZ dd. on 14.12.2015, reducing the fines for non-payment of fees for vehicles over 12t.

The Law introduces the following main changes:

1. The fine for non-payment of fees in case of the first violation has been reduced to 5,000 Roubles (previously 450,000 Roubles).
2. The fine for non-payment of fees in case of repeated violations has been reduced to 10,000 Roubles (previously 1,000,000 Roubles).
3. A person will not be liable if, at the time of consideration of the case, the distance travelled from the State border does not exceed 50km and the fee is paid in due course.
4. If the offence was recorded automatically two or more times during one day, the person will not be responsible for paying fines for the second and subsequent instances.

The Law enters into force from the date of its official publication.

Russian version is attached.
