

End of year Holidays and Driving Restrictions

Romania (December 19, 2018)

According to the Romanian Government decision, it was decided that 24 December 2018 and 31 December 2018 are holidays in Romania (because they are between national holidays and Sunday), therefore there will be driving restrictions for goods vehicles of over 7.5t MPW as following:

DN 7 road between Pitesti (exit) – Ramnicu Valcea – Vestem (junction DN7 - DN1) – both directions between 06h00 – 22h00

These dates are added to 25,26 December 2018 and 1,2 January 2019
