

## MANDATORY SUBMISSION OF PRE-DECLARATIONS IN AZERBAIJAN

Dear colleagues,

According to customs authorities of the Republic of Azerbaijan, **as of 1 February 2019**, submission of advance cargo information will be mandatory for all the transports entering the Republic of Azerbaijan prior to arrival at its customs territory. The IRU TIR-EPD application fully complies with the requirements of the customs authorities of Azerbaijan and can be used for this purpose.

Member associations are kindly requested to inform their TIR carnet holders of the requirement to submit advance cargo information for all TIR transports **at least one hour prior to arrival** to Azerbaijan and to provide all the necessary training, assistance and support in order for them to use the TIR-EPD application.

Don't hesitate to contact us if you have any further questions.

Best regards,

TIR-EPD team
