

## **Posting in the Netherlands: introduction notification rules – 6 months grace period**

### *Netherlands*

As from 1 March 2020, the Netherlands introduces an electronic notification system for employers whose drivers are temporarily posted in the Netherlands.

**Note that a 6 months grace period has been confirmed before the effective enforcement** of the new regulation.

**Note that passenger transport by road is exempted from these rules.**

(More details on the new regulation for goods transport is available on a previously published Flash Info or on IRU Information Centre – Authorizations, Goods Transport.)
