

Coronavirus (COVID-19) outbreak – updated situation at the Fréjus tunnel

Italy - France

On 25 June, SFTRF and SITAF decided to amend the rules on access to the Fréjus Road Tunnel for Euro 3 and Euro 4 goods vehicles over 3.5 tonnes. It was decided at first to ban these vehicles from using the tunnel as of 1 July 2020. However, in the context of the current Covid-19 pandemic, there is now a derogation of this rule.

From 1 July until 30 September 2020, Euro 3 and Euro 4 goods vehicles over 3.5 tonnes can still drive through the Fréjus Road Tunnel provided that the vehicle owners have already ordered replacement greener vehicles (Euro 5 or Euro 6). A [declaration](#) has to be filled out (in Italian, French or English).
