Additional information

- in addition to Luxemburg's official public holidays, the above restrictions will be in force on 8 may (Victory in Europe Day) on 14 July (Bastille Day) and 11 November (Veterans Day) for transport operations to France and 15 April (Easter Friday), 16 June (Corpus Christi), 3 October and 26 December for transport operations to Germany;

- vehicles concerned by the above-mentioned driving restrictions shall not be permitted to stop or to park on public roads; during the period of these restrictions, this measure shall also apply to vehicles whose MPW, with or without trailer, exceeds 7.5t and which are registered or undergo a break of load in Luxemburg and which intend to transport goods to France or Germany;

- police officers are entitled to order drivers of vehicles found in breach of the above-mentioned driving restrictions and parking bans to return respectively to their country of origin, or their business premises or place of loading/unloading in Luxemburg;

- infringement of these rules shall be punished in compliance with the provisions of the amended Art.7 of the law of 14 February 1955 relating to traffic regulations on all public roads.

Every day

All day

access to the following road sections is forbidden in both directions: • the CR150, between its intersection with the CR152 at Burmerange and its intersection with the CR152 at Remerschen; • the CR152, between its intersection with the CR150 at Burmerange and its intersection with the CR152B at Schengen; • the N16, between its intersection with the N16A at Mondorf-les-Bains and the Mondor interchange linking the A13 motorway with the N16. access to the following road sections is forbidden...

vehicles belonging to residents and delivery vehicles

Goods vehicles whose MPW exceeds 3.5t

01/01

to

31/12

Every day

All day

Transit traffic is forbidden on part of the public road network; compulsory routes are indicated by signposts bearing the figure 3.5t on the silhouette of the vehicle, as well as the indication of direction “Transit Belgium”, “Transit France”, “Transit Germany” or “Transit Germany/France”.

Direction

Both directions

Vehicles entering Luxemburg by a route situated to the north of the Steinfort-Rosenberg border crossing on the N6 and the Echternach-Echternacherbrück border crossing on the N11. The regulation applies, however, to vehicles in transit heading for France which enter Luxemburg by the N5, vehicles arriving from Germany, France or Belgium and which are heading for the European development pole, and vehicles crossing Luxemburg from Rheinland-Palatinate in the direction of Saarland and vice-versa.

Additional information

Infringement of these rules shall be punished in compliance with the provisions of the amended Art.7 of the law of 14 February 1955 relating to traffic regulations on all public roads.

Warning: According to the Grand-Ducal Regulation of 2 July 2009 on the movement of heavy vehicles bound for the industrial areas of Bettembourg, the Eurohub or Rail Terminal 1.

Art. 1.

On the A3 motorway, upstream of the Livange interchange (PK 5740) and up to the Bettembourg cross (PK 9700), towards the Dudelange-Zoufftgen border point, the drivers of self-propelled road haulage vehicles whose maximum authorised mass, with or without trailer, exceeds 3.5 tonnes, bound for the Wolser, Schéleck, Riedgen, Krakelshaff and Livange industrial areas, the Eurohub or the Rail Terminal, must follow the mandatory signposted route.

Art. 2.

From the sections of normal road listed below leading to the motorway network, the drivers of self-propelled road haulage vehicles whose maximum authorised mass, with or without trailer, exceeds 3.5 tonnes, bound for the Wolser, Schéleck, Riedgen, Krakelshaff and Livange industrial areas, the Eurohub or the Rail Terminal, must follow the mandatory signposted route:

- 1) from the N13 upstream of the Pontpierre interchange on the A4 motorway, in the direction of Pontpierre;
- 2) from the CR179 upstream of the Schifflange interchange on the A13 motorway, in the direction of Dumontshaff;
- 3) from the CR164 upstream of the “Z.I. Lëtzebuenger Heck” roundabout, upstream of the Schifflange interchange, in the direction of the A13 motorway;
- 4) from the CR165 upstream of the Kayl interchange on the A13 motorway, in the direction of Noertzange.

Art. 3.

The foregoing provisions are indicated by the sign D, 1a adapted, supplemented by an additional sign displaying the symbol for self-propelled road haulage vehicles marked with the mention 3,5t and the inscriptions "Wolser", "Schéleck" "Riedgen", "Krackelshaff", "zone industrielle de Livange", "Eurohub" or "Terminal ferroviaire." These signs are placed and maintained by the National Highways Department.

Art. 4.

Infringements of the provisions of Articles 1 and 2 shall be sanctioned in accordance with Article 7 of the amended law of 14 February 1955 concerning traffic regulation on all public highways.
